## FROM THE RABBI'S STUDY

Dear friends,

The Passover Seder should be a beautiful multi-generational religious experience. One of the great challenges is overcoming the lateness of the hour. Ever since Daylight Savings Time was pushed forward to early March, there is never an “early” Seder. When Passover falls out in late March, the Seder begins in the latter half of the seven o'clock hour. On Jewish leap years, like this year, when Passover falls out in late April, the Seder doesn't start until close to 8:30PM. By that hour, the children are ready to go sleep and the senior citizens are ready to retire for the night. Realistically, who can stay awake and be alert for the conclusion of the Seder three hours later at 11:30PM?

Over the years, many congregants have asked me whether it is permissible to start the Seder before the official hour. The reason that if it is permissible to light Sabbath candles before the time printed in the calendar hour and it is permissible to make Kiddush and eat the Friday night meal before sunset, then it should be similarly permitted to begin the Seder while it is still light out. The logic is fairly convincing, yet the halakhah is otherwise. While we are permitted to accept the sanctity of the Sabbath or Yom Tov before sunset, the various mitzvot associated with the holidays may only be performed after the holiday has undoubtedly begun. Therefore, Kiddush on the first night of Passover, which doubles as the first of the Seder's four cups of wine, cannot be recited until after the stars appear.

Can anything be done so that the Seder does not end so late? Yes. Here are a few suggestions: 1) The final section of the Haggadah, Nirtzah, is not a statutory part of the liturgy. As such, you may sing Adir Hu, Echad Mi Yodea, Ki Lo Na'eh, and Chad Gadya whenever you like. If the family has gathered around the table before dark and there is time to kill before Kiddush, sing the popular Nirtzah songs right then. It will get people into the festive spirit and save time at the end. 2) Whatever divrei Torah you intended to share during the Maggid section can be delivered instead before Kiddush while waiting for the onset of darkness. 3) Serve dinner quickly and eliminate desert. While this tactic will not hasten the beginning of the Seder, it will ensure that the “end” of the Seder (Tzafun, Barech, Hallel, Nirtzah) is conducted while people are still awake.

Another great challenge is to make the Seder compelling for those who are not especially interested in religious rituals

or the telling of ancient tales. Even the rabbis of the Talmud were faced with this challenge and they had various strategies that they employed. Join me on April 13<sup>th</sup> at 6:00PM for the Shabbat Hagadol Derashah, when I will address “The Serious Matter of Making the Seder Fun.”

As I do every year, I urge you to return the Sale of Chametz Form sooner rather than later. Every year, some unlucky person mails in the form too late and I receive it from the postman on the afternoon of Erev Pesach, an hour after the sale has already been concluded. If you don't have plans, I encourage you to make reservations for the communal Seder. It is an intimate gathering of about 50 people. We learn, sing, eat, and enjoy the Passover experience as an extended congregational family.

Best wishes for a *Chag Kasher v'Same'ach*,

**THE PRESIDENT'S PERSPECTIVE**

Dear friends,

What a wonderful time of year. Spring is in the air. Purim and Pesach are almost here. We look forward to the children's Purim party and the communal Seder on the first night of Pesach. On a sad note, we have lost one of our strongest supporters with the passing of Allan Glick, a giant, a pillar of our community; we will never forget all he did for Anshe Sholom.

Also, long time members and active Shul participants, Florence and David Simhon, have re-located to Florida. We wish them well in this new chapter of their lives.

Still, we have two new families who are joining our community. The energy and sense of growth at Anshe Sholom are palpable.

We have made progress with security as you will note at the front and back doors. We await installation of bulletproof glass in vulnerable windows and plan for panic buttons to be installed.

The men's club kiddushes and other events help maintain the sense of community beyond the religious connection. We hope you value these events and will continue to help us with them. We need your support and participation as much as ever. Please approach a board member and offer your help, be it financial or time to help with an event, anything you can do helps.

*Best Wishes!*  
*Marc Bessler*

**IN MEMORIAM**  
**Allan Glick**

November 15, 1938 - January 28, 2019

Congregation Anshe Sholom mourns the loss of a beloved longtime member and benefactor. The Glick family has been associated with our shul since the early 1900s, when Allan's grandparents came to New Rochelle. Allan recalled fondly going to Talmud Torah at the old synagogue building on Bonnefoy Place. His involvement with the shul spanned the tenures of rabbis Freilich, Weinberger, Rosenzweig, and Hoffman. Allan provided vital support when the congregation most needed it. To his beloved wife Marilyn, daughters Cherise and Madeline, brother Michael, and sister Barbara, we extend our heartfelt condolences. His memory will forever be cherished by the Jewish community of New Rochelle.

## A MESSAGE FROM SISTERHOOD

Hello Everyone,

There's snow in the forecast as I write this, but Spring is on the way! This year, it coincides with Purim, and so there will be celebration regardless of the temperature on March 20th-21st. Sisterhood is again sponsoring Mishloach Manot. See form on page 6. We encourage all members to participate in this lovely mitzvah. Thanks again to Rabbi Hoffman and Rebbetzin Sari for all their efforts!

We will miss Ethel Berzon, a key member of Sisterhood and indomitable source of ads for the testimonial dinner journal. Ethel's mother was one of the original founders of Sisterhood. Inspired by Ethel's love of opera, I just went through the "Great Courses" program on Listening to and Appreciating Opera. In her memory, Sisterhood will place a small plaque on the seat where Ethel always sat. May her memory be for a blessing.

Sisterhood is very excited to announce a special "Come Paint with Us!" workshop, on Sunday, March 31, with instruction by Lee Katz's niece, Gloria Porcaro. See beautiful photos of Gloria's work, as well as more details, on page 5. I am so looking forward to this! Secure your place and bring friends!

Wishing everyone Chag Purim Sameach, and a meaningful and Kosher Pesach!

Sincerely with best wishes.

*Joanne Wiesner-Steiner*  
Sisterhood President

## A TORAH MINUTE

When a person has to perform a commandment every day of his life, it may seem overwhelming. What he should say to himself is that it is only for that day. That way it will seem easy to do and not appear to be a heavy burden.

On the following day, he should tell himself the same thing, that it is only for that day. He should do this again on the day after that and keep saying it day after day, until it becomes second nature and will no longer feel like a yoke on his shoulders. In this way he will be able to perform the Mitzvot with the help of Heaven.

**Thoughts ON THE Parashah**

*in honor or in memory of a loved one.*

**Search for Chametz (בְּדִיקַת חָמֵץ)** – On Thursday night, April 18<sup>th</sup> we search our homes for chametz. Customarily we use a candle, feather, and spoon. For safety reasons it may be preferred to use a flashlight instead of a candle. This is intended to be a thorough and serious search of all locations where chametz might possibly be found. If the home was previously cleaned and there is no expectation to find any chametz, it is advised to “plant” ten small pieces of bread throughout the house. The search begins with a blessing: **בְּרוּךְ אַתָּה ה' אֱלֹהֵינוּ בְּעוֹר חָמֵץ. מִלֶּדְ הָעוֹלָם אֲשֶׁר קִדְשָׁנוּ בְּמִצְוֹתָיו וְרָצוֹנוּ עַל בְּעוֹר חָמֵץ.** When the search is concluded, all chametz that has been collected should be stored in a safe location in advance of burning it the next day. A declaration is made in Aramaic or English stating that all chametz that we do not know about should be considered ownerless like the dust of the earth.

**Burning of the Chametz (בְּעוֹר חָמֵץ)** — On Friday morning, April 19<sup>th</sup> we burn the last vestiges of chametz in our possession. One is permitted to eat chametz on Erev Pesach only through the fourth halachic hour of the day. One may own chametz through the fifth halachic hour of the day. The fifth hour is the last chance one has properly to fulfill the mitzvah of destroying one’s chametz. After the burning is done, we make a declaration in Aramaic or English stating that all of our chametz (whether known to us or not) is considered ownerless and worthless like the dust of the earth.

**Latest time for eating chametz:** 10:40AM

**Latest time for owning chametz:** 11:47AM

**Sale of Chametz (מְכִירַת חָמֵץ):** For several centuries it has been customary to sell non-perishable chametz products to a non-Jew before Passover, with the foreknowledge that the sale will be undone immediately after Passover. This sale is legally binding in both Jewish and civil law; accordingly it should be treated seriously and not viewed as a legal fiction. Congregants are advised to fill out an authorization form granting Rabbi Hoffman the power of attorney to effect the necessary transaction. **The sale will be concluded at 11:00 on April 19<sup>th</sup>, after it is no longer permissible to eat chametz but still as yet permitted to own chametz.** If you will be in a different time zone on April 19<sup>th</sup> please indicate as such on the authorization form, as this might necessitate a separate sale.

**Ma’ot Chittim (מַעוֹת חִטִּים)** – We are obligated to give charity before the holiday so as to ensure that indigent Jews will be supplied with their holiday needs. Literally, this concept can be translated as “coins for wheat.” All Jews, even those on lowest rung of the socioeconomic ladder, must be given wine, matzah, and other Kosher for Passover essentials. You can fulfill this obligation by donating to the Anshe Sholom Passover Fund. Your charitable contribution will help feed Jews in Israel and New York.

**Fast of the First Born (תַּעֲנִית בְּכוֹרוֹת)** — On the Eve of Passover it is customary for firstborn males to fast in remembrance of the Plague of the Firstborn. While the Egyptians perished, the Israelite firstborn were spared by God. The tradition in most communities is to offer the firstborn a way of exempting themselves from this fast. A celebratory Siyyum is made upon the conclusion of a tractate of Talmud. This is followed by a meal to which the firstborn are invited to participate. We will have a Siyyum on Tractate *Hullin* following morning services.

I \_\_\_\_\_ hereby authorize Rabbi Evan Hoffman (50 North Ave New Rochelle, NY 10805), to sell or transfer all of my chametz (as defined by Torah and rabbinic law) in advance of Passover 5779. I also authorize him to rent, for the duration of Passover, the premises occupied by such chametz.

One of the highlights at Anshe Sholom is spending time together at the kiddush following Shabbat and holiday services. Our kiddush luncheons help us build the connections that make Anshe Sholom a warm and inviting congregation. In order to enhance our Shabbat joy and to maximize our schmoozing opportunities, we would like to provide enhanced kiddushes as frequently as possible, but *this can only be done with your help*.

By sponsoring a kiddush, you participate in supporting and fostering our sense of community. You may sponsor a kiddush in honor of someone, to remember someone, to celebrate a simcha – or, sponsor a kiddush together with a group of friends or family. You may choose to sponsor the entire kiddush for the shul, or you may help defray the kiddush costs by sponsoring part of a kiddush, or by simply making a donation. *No amount is too small.*
